"Bianca" (ref.AF241) is the apartment for rent in Varazze with interesting features.
Let's go and explore it now.

This house is the emblem of comfort: leaving the front door we will find the sea and the beaches on our right and the historic center on our left, with all the shops and services.

The accommodation for rent in Varazze is, in fact, on the mezzanine floor of a building in the historic center built on the seafront, in the central part of the town.

The rooms are very clear and tidy and the division is rational: the living area consists of the living room with kitchenette, from which you can access the balcony facing the seafront.

The sleeping area consists of two bedrooms (one double and one twin with single beds).

The bathroom is in the center, with shower and window.

The house is spread over several levels, meaning a few steps separate the living area from the sleeping area.

This arrangement is an integral part of the history of our town and brings with it stories of families who, upon the birth of a new child,

bought a room from their neighbors, often placed a few tens of centimeters higher or lower, in order to accommodate the New arrival.

The apartment is furnished and equipped to accommodate a maximum of 6 beds.

All rooms are equipped with air conditioning. Standard systems and independent heating. Tourist rental contract.
