The apartment for rent in Varazze from which you can admire splendid sunsets is "Finestra sul Mare" (ref.AF258).
This is a studio flat for rent in Varazze, which we will visit together in the next few moments.

Let's start from the location: from the seafront overlooking the Mola area we take a short walk, just 250 meters, entering a dimension of peace and tranquility.
The services and the historic center are convenient.

We go up to the second floor of the 70s building and enter the apartment.
The wood effect is predominant and the first glance runs unhindered to the large window, overlooking the skyline of the town and the sea, towards the south-west.
Three glasses and two doors, for a well-calibrated brightness, which makes the house a pleasant place of rest and relaxation.

We move our steps on the wood-effect stoneware floor and notice on our right the bathroom, with window and shower.
Let's proceed and discover the well-stocked kitchenette and the living/sleeping area.

The two sofa beds can accommodate a maximum of three people.

The apartment for rent in Varazze is equipped with hot air and cold air heat pumps.

Monthly tourist rental contract.
