"Puzzle" (ref.AF292) is the house for rent in Varazze which makes up its rooms for the holidays, in a very convenient area.
In the next few lines we will see why we gave it this curious name.

First of all, let's locate ourselves: we are in the oldest heart of the historic center, the one that remained within the walls, just below the Salesian Oratory.
The services and shops are located just outside the front door and in a few steps we will be at the sea. We will come out right in front of the Kursaal Margherita (for those unfamiliar it is a bathhouse in the central part of the town).

The apartment for rent in Varazze is located on the second floor of a typical Ligurian building and is deconstructed, which is why we called it "Puzzle".

Once on the gallery we enter the security door on our right and here we are in the living area.
We are welcomed by a renovated and modern environment with blue and ivory colors, which has managed to maintain its historical value with its vaulted ceiling, in the color of the sky.
It is a beautifully sized living room with kitchenette, overlooking the caruggio.

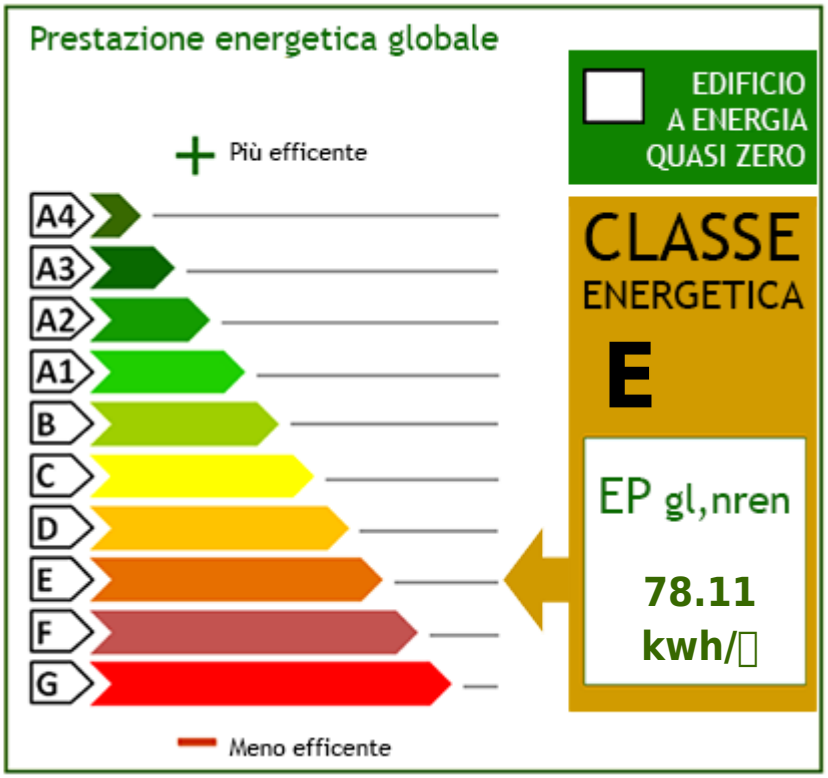

To discover the sleeping area we have to close the door, go over the chess of the gallery and open the door in front of us.
The master bedroom is here, connected to the first area with the same colors and the same care.
The bathroom with shower and suspended sanitary completes our visit.

The house is furnished and equipped to accommodate a maximum of 2 people and is currently available for tourist rental.

For more information and to visit this apartment for rent in Varazze, contact Immobiliare Cingolani Daniela (Tel. 0194509025 - Cell. 3470012531), we are open from Monday to Sunday morning (closed on Wednesday).
The fee indicated is to be understood as "starting from" and varies according to high and low season.
