"Punta di Diamante" (VAD335) is the apartment for sale in Varazze with a capital A that we present to you today.

The most exclusive one can imagine.

A house with a sea view, a private location, large rooms, outdoor space and a parking space.

A dream that we can discover together, since it has come true.

Let's start with the location.

The face is warmed by the sun's rays coming from the south, the eyes attentive to catch every movement of the sea below us, the ears stretched to listen to the rustling of the greenery that protects the shoulders, the sense of smell cradled by the smell of the Ligurian breeze blow around and the heart is open, to contain all this.

We arrived here comfortably and parked in the large garage of the property.

We are located in a luxury complex, built in an exclusive position and equipped with a swimming pool, gym and tennis courts.

Now let's go inside the apartment.

Pushing the entrance door we find ourselves in a large room, widely illuminated by the sun's rays, which filter through the windows facing south / east.

Beyond the glass a terrace surrounds the house. The outdoor space, overlooking the sea, has an incomparable view.

There are two bedrooms, located on opposite sides, for greater privacy, and both have a private bathroom, a walk-in closet and a dedicated exit to the terrace.

A third bathroom serves the living room.

Private garden facing east.

Request appropriate to the exclusivity of the object.
