"Elizabeth" (ref.AF323) is the elegant, elegant apartment for rent in Varazze with a balcony overlooking the sea that we are visiting today.

To begin the visit we must move 350 meters from the beaches and enter the elegant building that we find in front of us. The building is in excellent condition and located in a very quiet residential context. We take the elevator and go up to the second floor.

The entrance immediately reveals the shiny dark grit floor: a perfect support for the elegant furniture, with a regal style. We continue, attracted by the strong brightness, towards the lounge, whose balcony with panoramic sea view gives pleasant relaxing sensations. Here the south-west exposure, at sunset, makes you feel lucky to be here. The kitchen is habitable, with an excellently made masonry cooking wall, and has its own balcony. The master bedroom, well exposed, is large and bright. The second bedroom, which can also be used as a second living room, has an exit to the balcony. Two bathrooms, windows.

The house is furnished and equipped to accommodate a maximum of 4 beds.
