"Hestia" (ref.AF365), the Greek goddess of harmony and architecture, inspires the apartment for rent in Varazze that we are offering today.

First let's locate ourselves. We are in the heart of Solaro, that is, the part of the historic center that runs east of the town hall, right in the alley.
From this information it is immediate to understand how all the services, shops and the sea are just outside the door.

The building, typical Ligurian, is in order and we will go up to the third floor, without a lift, where the unit that occupies us today is located.
Let's go in.

The gaze widens, appreciating the harmony of shapes and colors of the rooms, totally renovated.
From the entrance we pass directly to the living area, with a well-equipped kitchenette with induction hob, fridge and freezer column,

oven and coffee machine.
The window overlooks the main alley, with its typical colors and scents: an unmissable sensorial picture.

The sleeping area consists of two bedrooms: one double and one twin, equipped with a single bed which, by sliding, easily transforms into a double.
In both rooms the wardrobe is generous.

The bathroom with window is carefully designed and has a large shower and suspended bathroom fixtures.
Equipped with washing machine.

The apartment is cooled and heated in all rooms with a heat pump.
Wi-fi included.
Standard systems.
Maximum beds: 4.

Rental contract for tourist use currently available from 9 January to 28 February.

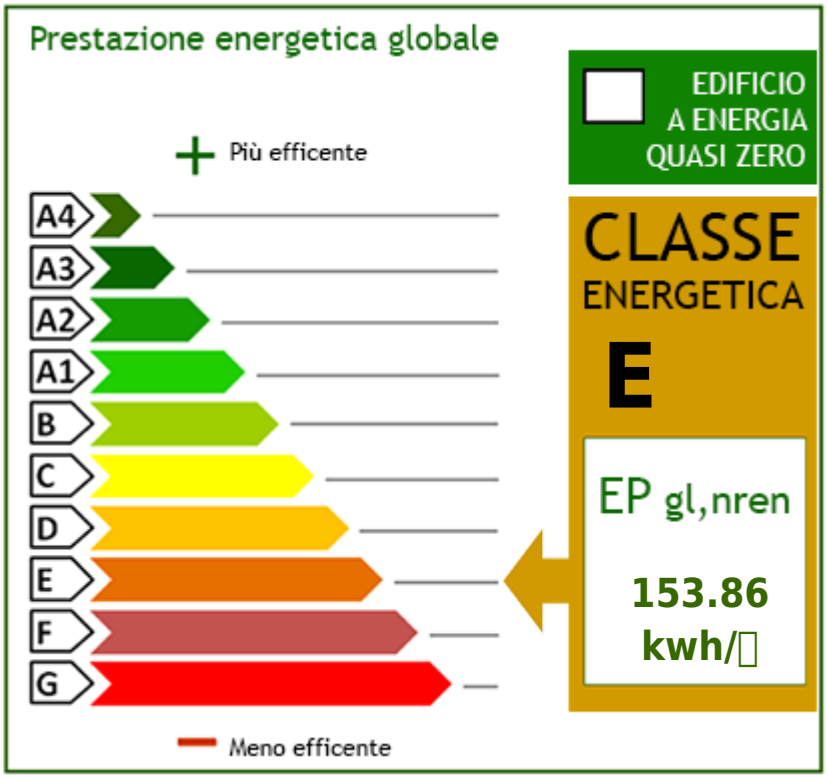

The picture of this contemporary, fresh and welcoming house is now complete, where you can spend happy moments in harmony, in the heart of the historic center of Varazze.
