The apartment for rent in Varazze where you can spend peaceful holidays in a comfortable size is "Sweet escape" (ref.AF333).

Let's locate ourselves.
We are located in the western part of the town, 500 meters from the beaches and sea of Varazze.
Convenience is also in the arrival, thanks to the proximity of the train station. If you choose to arrive by car, there are some condominium parking spaces.

The building that houses the accommodation dates back to the 1970s, is well maintained and has a lift.

We go up to the third floor and open the door to discover the interior.
We are welcomed by an orderly entrance, in which the pink marble floor is certainly the master, combined with the softness of the wooden elements.
From this central room, which introduces the relaxed spirit of the house, we can access all the other rooms.

Let's start from the living room, spacious and extended outwards from the balcony, an excellent outdoor space which also enjoys the view of a slice of the sea.

We return to explore the area dedicated to meals: a dining room open onto the kitchenette.
The balcony is also accessible from here.

We end with the spacious double bedroom and the bathroom, with window and shower.

The atmosphere created within these walls makes you gently escape to other times, characterized by greater care and more natural rhythms.

The apartment is furnished and equipped to accommodate a maximum of 5 beds.

Tourist rental contract.
