"Brezza" (ref.AF339) is the apartment for rent in Varazze which we will enter in the next lines. A holiday home where you can breathe the sea air deeply, in complete tranquility.

Let's go straight to localization.

We are located in the area behind the station and the Marina di Varazze port, about 600 meters from the sea, on the third floor of a 1960s building with a lift.

Upon entering the well-organized corridor entrance leads to all rooms.

The first is the living room, where we are immediately captured by the light that filters through the large window. Here the balcony has a breathtaking view of the sea and the port of Varazze.

The living area is equipped with a comfortable sofa bed that promises rest and relaxation, while providing cozy accommodation for two additional guests.

This room becomes a meeting point where you can share stories and laughs, with the sea as a backdrop to summer evenings.

Proceeding, the eat-in kitchen is equipped and invites us to explore the flavors of Liguria, with everything needed to prepare delicious meals to be enjoyed in company.

Night's rest is guaranteed in the spacious bedroom, where we can find three beds (double bed and single bed).  
The bathroom, recently renovated, has a shower and window.
