

## **Apartment Varazze price from € 700 Ref. AF344**

**50 sq.m | : 1 | : 1 | : 2**

"Sassolino" (ref. AF344) is the perfect apartment for rent in Varazze for seaside holidays. We visit it together.

The location is fabulous.

Walking in the heart of the historic center we turn the corner from the central alley and, among the delicately colored buildings, we find our door.

The sea is a stone's throw away and the area is well served by everything you need, with quality shops just outside the door. It is a plus to be able to access by car to unload directly under the apartment.

The building is well maintained and equipped with a lift starting from the first floor. We will go up to the third.

Once the door is pushed open, the gaze widens onto light colours, which recall the gravel of the seabed.

It is the living area, divided between a dining area and a relaxation area, with a sofa that also transforms into a bed.  
The careful renovation has created well-organized and welcoming environments.  
We continue into the kitchenette, well equipped, and into the bedroom which is also comfortable and well-kept.

Complete the bathroom, with window and shower.

The house is furnished and equipped to accommodate a maximum of 2 +2 people.

Rental contract for tourist use.
