"Polena" (AF341) is the apartment for rent in Varazze that is the emblem of holidays, a stately home facing the sea.

Imagine yourself in Varazze, while walking along the seafront near the Solaro (part of the historic center that runs east of the town hall), perhaps with a nice refreshing ice cream in your hand and light linen clothes swaying in the breeze.
Just turn your head and admire the stately buildings from the early 1900s that stand out in front of the sea and, right among them, spot the door of your holiday home.
Once on the other side, take the keys and enter.
The coolness of the entrance hall welcomes you, bringing with it the elegance and quality of times gone by, eternally enchanting.
Go up to the first floor.

Open the door and you immediately see a renovated house, very bright and spacious. You are facing south and the large windows positioned here just beyond the large sofa show the blue of the sea outside, unchallenged.
The excellent welcome of this living room with kitchenette continues on the small balcony and in the open kitchen, well equipped and with exit to a second balcony, also with a sea view towards the east.

Return and continue to discover the sleeping area.
The first double bedroom faces south and you will be able to see the waves as soon as you wake up, in the colors of the morning, directly from the pillow.
The second bedroom is a double, with a dedicated exit onto the second balcony to the east.

Additional comfort is certainly given by the two bathrooms, both with shower.
Air conditioning.

The apartment is furnished and equipped to accommodate four people.
Rental contract for tourist use.
Minimum availability two months (July+August).
