"La Sosta" (ref.AF380) a bright break in this apartment for rent in Varazze.
A few steps from the station and five minutes from the sea, La Sosta is an apartment designed for those who want to slow down, find time for themselves and enjoy the simplicity of things done well.

We are in via Mombello, one of the areas of Varazze that combines tranquility and comfort: everything is within walking distance, but there is no confusion.
It's the right place for those who want to experience the sea without having to take the car, and maybe leave the house with just a book under their arm and a towel on their shoulder.

Once we arrive on site we enter a building from the 60s, equipped with a lift, and go up to the fourth and last floor.

The apartment opens onto a living room with kitchenette, furnished with simplicity and practicality.
Light floods in through the windows, creating a pleasant atmosphere at all hours of the day.

From here there is direct access to a surprisingly large terrace.
That's where you spend most of your time: breakfast in the open air, a deckchair in the sun, a book in the afternoon, a dinner that drags on as evening falls.
The terrace is the heart of the house, its breath.

The sleeping area is cozy and comfortable: a comfortable double bedroom and a bathroom with window, simple but well-kept.

La Sosta is the name we chose for this house because it embodies exactly this: the idea of stopping for a moment, of finding a more human rhythm.
It is perfect for a couple or for those traveling alone, for a beach vacation or even just to change air for a few days. A small house, yes, but with a big breath.
Welcome to La Sosta.

The apartment is furnished and equipped to accommodate a maximum of 4 beds.
Tourist rental agreement.
