"Maestrale" (ref.AF87) is the apartment for rent in Varazze that we visit today. A renovated, comfortable and modern holiday home that sails towards happy hours.

The location is excellent: we are in the historic center, in a typical Ligurian building that has been completely renovated.
The sea is 100 meters away and the shops and services are just outside the door.

The accommodation for rent in Varazze is located on the first floor.
Let's go in.

At the entrance, your feet rest on a beautiful exotic wood parquet, which with its deep tones and oblique installation gives depth, warmth and softness to the environment.
It is the living area that welcomes us, organized with a kitchenette and relaxation area.
The French window lets light filter in and leads to a small balcony, where it is possible to dedicate yourself to reading activities.

On the sides of the living room we find, on one side, the bathroom with window and shower and on the other the double bedroom.

The apartment is completely newly furnished and is equipped to accommodate a maximum of 4 people.
Excellently finished and equipped with air conditioning and independent heating.
