"Casa Limoneto" (ref.AF46) – between sea and gardens.

A few steps from the sea, immersed in the quiet of an early 1900s villa, Casa Limoneto is perfect for those who want to relax without giving up comfort.
Located in Via XXIV Aprile, a quiet and well-served residential area, it combines period charm with modern and functional spaces.

The garden, shared with the other apartments, adds a corner of peace and nature, ideal for those who love outdoor spaces.

The interior is bright and well organized.
The living area is large and welcoming, with an open kitchen and an area perfect for lunches and dinners with friends.
The two bedrooms guarantee privacy and comfort: the double room is furnished in natural tones, while the second room, with two single beds, is perfect for friends or family.
The bathroom is practical and functional, with shower and washing machine.

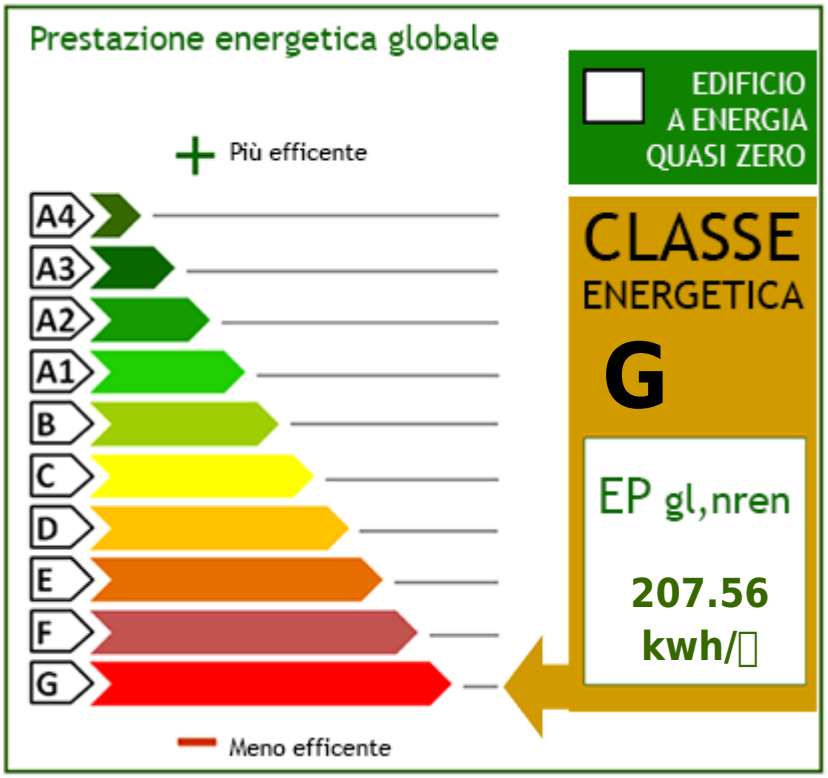

From the balcony you can enjoy the view of the garden and the surrounding palm trees, a small corner of peace where you can start the day with an outdoor breakfast or indulge in a moment of relaxation.

The house is equipped to accommodate up to four people and is available for tourist rentals.
