"Plancia" (ref.AF203) is the ideal apartment for rent in Varazze to organize a perfect seaside holiday.
Let's find out together.

The location, first of all.
The building that houses this house is located 200 meters from the sea, is renovated and in a quiet residential area.
The historic center is also very easy to reach.

In practice, the location is excellent for heading in any direction and for activities, all year round.
We won't even have to worry about parking, because there is a covered parking space here, right under the apartment.

Let's now go up to the first floor and enter.

The reference to the name we gave it is immediate: our steps move on the wood-effect floor and by raising our eyes we can catch shades of blue, yellow and orange.
Just like on the bridge of a ship: the bridge.

Let's now analyze the interiors.
The complete renovation is also here.

We entered and on the left we immediately noticed the bathroom with window and shower.
After just two steps we were welcomed by the living room, large, with a well-organized kitchenette with oven and induction hob. A small balcony gives light and air.
The bedrooms, just beyond, are two. The first is a double with a bunk bed and the second is a double.

The shutters are electric, for even greater convenience.

The systems are certified according to the law and the heating is autonomous.
The rental accommodation in Varazze is equipped to accommodate up to 5 people.

Tourist rental agreement.
