The apartment for rent in Varazze par excellence, when looking for a sea view, is "Bomboniera" (ref. AF197). It's one of our milestones.

We are located in the historic center, inside a typical Ligurian building built facing the sea. The entrance door is located in the main alley, where all the commercial activities and services are located. We go up to the third floor (without elevator) and enter.

Taking the first steps inside the apartment for rent in Varazze the eye immediately runs to his majesty, the balcony. Of appreciable size, equipped with a sunshade, table and chairs and, something that literally makes our heads spin, directly overlooking the coast.

The sea in front, the breeze on your back, the palm trees as a frame. The ideal space for splendid breakfasts at sunrise and aperitifs with the scent of summer sunsets.

We could linger here for hours, but we also have to describe the interior, it also deserves attention, let's go.

The living room with open kitchen directly connected to the outdoor space, seems to be a large covered terrace.

The bathroom and a double bedroom follow.
The sleeping area faces the alleyway and the two windows open high up onto it.
The smell of warm focaccia in the morning will be a sweet awakening for all the senses.

In addition to being equipped with air conditioning in all rooms, this apartment for rent in Varazze also has excellent air exchange, thanks to the opposite windows that, as we have seen, overlook the seafront on one side and the main alley on the other.

The apartment is in excellent condition and furnished to accommodate up to 4 people.
Wi-fi network included. Tourist rental contract.
