"Family House" (ref AF202B) is the apartment for rent in Varazze that we visit today: an ideal solution for families.

Everything here is close at hand, we are, in fact, close to the historic center, 400 flat meters from the sea.
The building that houses this apartment for rent in Varazze on its ground floor is built in the 1970s.

The strong points of this location are undoubtedly the tranquility, combined with the proximity to services, the historic center and the seafront, with its beaches, which are only a few minutes away on foot.

We now enter the building and open our door.
At the entrance, your eyes catch a large, well-ventilated living area that opens onto a strip of outdoor space bordered by a hedge, which ensures discretion and privacy.

The living room is the central area and, on the sides, we find the two bedrooms, the eat-in kitchen and the bathroom.

The accommodation is equipped to accommodate a maximum of 5 beds.

Tourist lease contract.
